

LOOP & FRIENDS

For special places

With Loop & Friends, Villeroy & Boch presents a collection for furnishing enthusiasts and design professionals. The large selection of forms, colours and installation variants offers ideal scope for individual creativity. In addition to the surface-mounted, undercounter and built-in washbasins, the broad product range also includes baths in various shapes, to cover a variety of lifestyle and bathroom scenarios in private homes and public applications.

Design

- + Modern, organic design
- + Broad design scope in the bathroom thanks to a wide range of washbasin forms and installation methods
- + Options for combination with other interior highlights

Functions and features

- + Overflow function combined with a delicate design (thin rim) thanks to TitanCeram
- + Full-surface colours
- + Deeper basin
- + Minimum bath depth of just 44 cm for reduced water consumption

Range

- + 3 x 3 x 3 concept for maximum individuality:
 - 3 **installation options** (surface-mounted, undercounter and built-in washbasins)
 - 3 **forms** (oval, round, rectangular)
 - 3 **colours** (Ebony, Graphite, Almond, plus the white shades White Alpin and Stone White)
- + Wide range of washbasin sizes
- + Matching furniture collection Legato
- + Matching Subway 2.0 toilet also available in colour
